Rules and Regulations

To ensure the safety and health of all animals and staff at Pampered Pet Lodge, all clients are required to comply with the following Rules and Regulations (**please read thoroughly**):

Sex: All dogs must be spayed or neutered (unless they are under 6 months of age) when participating in a Socialization Package. Non-neutered males are permitted on individual Pamper Packages, however can NOT participate in the Socialization options. All female dogs need to be spayed by 6 months of age. If you are a breeder please contact the Lodge for specific options.

Vaccines & Preventative: All dogs must be up to date on vaccinations. All clients must submit *written verification* from their veterinarian that their dog(s) have current DHLPP, Rabies and Bordetella (kennel cough) vaccinations. Specifically, the vaccines required are: 1) Distemper, Hepatitis, and Parainfluenza, Parvovirus; 2) Rabies; and 3) Bordetella. **All dogs that are participating in Group Play activities such as Daycare or the Retreat Option that mix with other dogs from another family are also required** to be on 4) flea preventative and 5) heartworm prevention. It is your responsibility to provide on-going verification of current vaccinations and preventative. Spot checking for fleas and ticks is not always a fool proof process; therefore, Pampered Pet Lodge requires a flea and parasite preventative (i.e., FrontLine or Advantage/Revolution) for incoming dogs. **We do not accept flea/tick collars.**

Health: All dogs must be in good health. All clients will need to certify that their dog(s) are in good health and have been free from any condition that could potentially jeopardize other canine guests. Dogs that have been ill with a communicable condition in the last 30 days will require written veterinary certification of health to be admitted or readmitted. If, at any time during our care, it becomes evident that your dog is ill, you will be notified and proper steps will be taken to ensure safety of all other pets at the Lodge. Quarantine until you are available to pick up your pet may occur. If, at any time during our care, it becomes evident your dog has fleas or ticks, veterinarian treatment will be required and charged to the pet parent. Dogs requiring special attention due to medical restrictions will be assessed by the Pampered Pet Lodge Staff and charged an additional per day fee for any and all Lodge stays (this includes medicines and supplements that need to be administered).

Medication and Supplements: Oral and topical medications and supplements can be administered to your pet at a small administration fee. This fee ensures legally that we are under direction from the pet parent for administering medicine and or supplements to your pet. We do not administer needles.

Leashes and Collars: All dogs must enter and exit the facility on a leash. We ask that retractable leashes not be used unless set in their locked position.

Food: All food brought to Pampered Pet Lodge must be pre-measured into individual servings if not being scooped from a large dry food bag/container. If your pet requires dry food, premeasure the contents of the bag and provide us with accurate measuring instructions using a measuring cup. Special feedings need to be stored in small plastic containers or baggies

labeled with the dog's first and last name, date and designated for a.m. or p.m. feeding. This avoids clients arriving without the proper amount of required food for the stay and allows staff to administer feedings efficiently. Canned/refrigerated food can be opened and administered as needed but needs to be labeled. **Please Note:** Dogs can often burn more calories while staying with us at the Lodge due to activity, we request that additional food be left with us to ensure that dogs are in taking the required amount of food to maintain health.

Bedding: All dogs that stay at the Lodge for two days or more will have their bedding washed. PLEASE MAKE SURE ENTIRE BEDDING IS MACHINE WASHABLE. We do not allow beds with inserts, since we are unable to wash them. We encourage small blankets and pillows.

Treats: In order to provide your dog with a positive experience while at Pampered Pet Lodge, we will reinforce your dog's good behavior. Your dog will be given treats as a reward for good behavior, unless otherwise instructed by you. These treats are given in small bite-size quantities. We also administer any additional treats you may want to provide or we offer a Frozen Yappie treat you can add onto your package.

Behavior: All dogs must pass the Pampered Pet Lodge Behavior Assessment for enrollment in our Socialization Package Options (Group Play). *Parents will need to certify that their dog(s) have not harmed or shown any aggressive or threatening behavior towards any person. In the event that the guest will participate in daycare or group play, parents will also need to certify that their dog(s) have not harmed or shown any aggressive or threatening behavior towards any other dog(s) and are not protective of food or toys. The dogs' safety and health is our main priority. **Keep in mind that although your dog is supervised when playing with other dogs, he/she still might receive an occasional nip or scratch. We do not accept fence climbers for group play.***

Dogs that are not social with other dogs outside of their own family members may stay at the lodge, but may not participate in daycare or group play time.

Lodge guests will receive a specialized Pamper Package administered to them as chosen by their parent that does not include the socialization with other lodge guests. Pampered Pet Lodge offers many to choose from and pets from the same family can participate in them together.

Age: All dogs must be at least 8 weeks of age and have their first set of vaccinations.

Enrollment: Enrollment Applications are requested to be turned in at least one (1) week prior to your dog's/dogs' first reservation. *All dogs must have a complete, up-to-date and approved Enrollment Application on file to lodge with us.*

Once the Enrollment Package is Signed and Received by Pampered Pet Lodge it is therefore believed that the client (Pet Owners) is in full understanding and agreement to the entirety of the contract. Initial _____
